

Webinar on Scope of Pharmacists in Australia

Date: Thursday, 9th May 2024

Time: 1:30 PM onwards

I³ Cell is delighted to announce an upcoming webinar organized in collaboration with Elite Expertise, Australia based esteemed online education platform. The webinar will focus on the scope of pharmacists in Australia, covering essential details about the Australian Pharmacist Licensing Exam (KAPS) and the process of migrating to Australia for practicing pharmacy.

Key Highlights:

- Overview of the Australian Pharmacist Licensing Exam (KAPS)
- Guidance on the migration process and requirements for practicing pharmacy in Australia
- Exploration of diverse career opportunities and income prospects for pharmacists in Australia

All students are invited to join this enlightening session on Thursday, 9th May 2024, starting at 1:30 PM. Attendance is mandatory for all students.
